The Group meets the first Friday of every month at the **Port Hope Health Centre**, 99 Toronto Road.

## BIAPR ABI Day Services

**Morning Meet and Greet** is followed by the Member's choices, which means whatever activities members wish to participate in - activities like games, meal preparation, discussion or learning groups, painting, creative journaling and so much more. Members-only computers are available for use with Internet access.

With the fall weather fast approaching our members have been working away on a variety of fall themed upcycled projects. BIAPR has been participating in the Wednesday Farmer's Market (outside our doors on Charlotte Street) on October 2 & 9. Upcycled Projects were showcased and sold. Members were able to speak to people on the street and explain the work that they are doing here in the ABI Day Service. Pictured below is Margie our Rec

Therapist and Jeff our salesperson. Many thanks to the members who participated and represented our community so well. Our Halloween party will be on Thursday, October 31, complete with a Spooktacular menu and fun costumes.

## News from BIAPR (Teryl Hoefel, Executive Director)

Happy Thanksgiving to all. Thanks to all who helped with our special luncheons!

Thanks also to everyone who voted for BIAPR in the 2019 OBIA / PIA — Awards of Excellence in Brain Injury Rehabilitation — Community Brain Injury Association of the Year. We did not win the award this year but there is always next year! We are proud to say that we were in such amazing company and we send our congratulations to the Brain Injury Association of Sudbury and District for their award. The incredible work that is being done by our members, volunteers, and staff continues to raise the awareness of Brain Injury. An example of this work is the newly formed Peterborough Concussion Awareness (PACA) Advisory Panel and the launch of the website [paca.health](http://paca.health) on September 25th — Rowan's Law Day. Thanks to the many contributors on the Advisory Panel, including Dr. Joanna Hamilton and Debra Prescott—CE ABI Navigator. A special

thanks to Judy Gargaro (ABI Program Director and Clinical and Systems Implementation Associate, ABI) at Ontario Neurotrauma Foundation, who suggested BIAPR be included in this important initiative. You can also follow PACA @PacaPeterboro on Twitter. Check out the website at [paca.health](http://paca.health) for on-line concussion resources for Medical Professional, Coach, Parent or Caregiver, School Professional, Player or Participant, Worker and Workplace, all of which are easily accessed on your computer or phone; Concussion Awareness at your fingertips.

Finally, I would like to say a warm welcome to our newest BIAPR Board Member, Jim Hill. Jim brings a wealth of ABI and financial management experience to his role and we look forward to his contributions on the Board and in our community.
