(Please contact main office at 1-800-854-9738)

NORTHUMBERLAND SERVICE

Stroke Survivors & Acquired Brain Injury (Support and Sharing) 10:30 –12:00 pm
The Group meets the first Friday of every month at the **Port Hope Health Centre**, 99 Toronto Road.

BIAPR ABI Day Services

Morning Meet and Greet is followed by the Member's choices, which means whatever activities members wish to participate in - activities like games, meal preparation, discussion or learning groups, painting, creative journaling and so much more. Members-only computers are available for use with Internet access.

HAPPY 2020! Your ABI Day Service Teams (Peterborough—Regular and CC Café and Lindsay) are busy planning activities for the coming winter months. If you have any ideas of activities or projects that you would like to suggest please see the ABI Day Service staff.

The UpCycled Projects and other member creations were for sale in the window and at GreenUp throughout the month of December. Proceeds from these sales will be used for

member programming. Plans are under way for our winter get together with CHIRS & BIAPR at the Pete's Game in March. Stay tuned for details in the February newsletter/calendar.

News from BIAPR for 2020 - Teryl Hoefel Executive Director

We are officially in 2020 and looking forward to the future. As we move forward there have been some changes on the BIAPR Board. We are sorry to say good bye to Jeff Lanctot as our Board President and thank him for his years of service to BIAPR. I personally would like to thank Jeff for his calm leadership as BIAPR Board President. I have appreciated his guidance as I learned in my position as ED. We look forward to staying in touch with him in the future. Kaitlyn MacDonell will step into the Board President position as approved by the Board on November 27th. Congratulations Kaitlyn and I look forward to working closely with you in your new role. Your experience with ABI, both professionally and personally will be a strength to all of us.

As we reflect on the past year—what a an incredible year it has been! As a recap to the end of 2019 — BIAPR celebrated the holidays with a Christmas Luncheon at the Peterborough Naval Association with a full turkey dinner with all the trimmings on December 17th. This was a record year for attendance. We had over 100 members, clients, family caregivers, volunteers, support staff and BIAPR staff celebrating the season with music, conversation and great food. Thanks to all who made it out. In addition, thanks to generous donations, BIAPR staff were able to prepare 39 Christmas Food Hampers for clients in the four counties who are in need at this time of year. It takes a village to support the needs of our brain injury community and through donations and Delta Bingo we are able to provide this extra support. Our CSC staff, ABI Day Services staff and the Transitional Supports Program staff helped to identify those most in need of support during the holidays and they also delivered the hampers to the clients the week before Christmas.

We expect to be continuing to provide the same ABI supports in 2020 while looking for ways to improve our services. One way that we can ensure that we do this is to continue to bring awareness to the great work being done at the provincial level and by the Ontario Brain Injury Association. We will share information on the "OBIA/ONF—Brain Injury Speaks" project in the new year as we learn more about it. Dual memberships for OBIA and BIAPR are available and include a subscription to the OBIA REVIEW. This informative publication (published quarterly) will keep you up-to-date on the work of OBIA and the ABI communities across the province. If you would like more information fill out the information below and drop it off to BIAPR office or go online at <http://obia.ca/dual-membership/>
